

Mental Health Services Provider Directory

Individual staff have specialized training to assist a wide variety of concerns that impact recovery. Staff are sensitive to culture, gender, and sexual identity. We provide services in an open, caring, compassionate manner. Some staff are bilingual and/or bicultural.

Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived, or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's provider directory.

Auxiliary aids and services, including but not limited to large print documents and alternative formats, are available to you free of charge upon request.
